Hi there – if not obvious, I meant to say I was not invited to the meeting. Also, I ended up working the whole day.... How did the meeting go?

Hi Alexa - -thanks for letting me know about the meeting with OGWDW. I must

been invited, but I'll be on leave starting at 12:30 anyway, so I would have only been able to be on the call for 30 minutes. In looking at the briefing paper below, **Attorney Client 5**

After 12:30 I'll be on leave until Aug. 17, so let's re-convene when we are both back. Happy Trails!

FYI wanted to you know that we're having an update with HQ tomorrow on the status of the corrective action work with the State. If you want to chat further, let me know, I'm trying to get some FOIA work and a filing out today but I'm around tomorrow and next week through midday Wed. Headed to eastern Sierras after for a backpacking trip through the following Sunday!
Hope all is well,
Alexa
